Skills

Passionate Full-Stack Developer with expertise in data analytics. I leverage technologies like **TypeScript**, **React**, **SQL**, **Node.js** and **Express.js** to build dynamic web applications. My experience in data analysis with **Pandas** and **Seaborn** helps me visualize desired data and analyze it quickly. I thrive in diverse environments, value analytical thinking, and consistently strive to deliver efficient solutions.

Languages: German A2 - English C1 - Spanish, native speaker

Experience

JANUARY 2024–FEBRUARY 2024 <https://app-guard-front.vercel.app/>

HENRY (AppGuard), Argentina - Front-end Dev. Apprenticeship

- Website / E-commerce built around tickets for events in beaches of Argentina, like sports and cultural events. Heavy use of Git Flow and communication skills while working with multiple people.
- I took a leadership role in the front-end. The biggest victory was the soft and tech skills we learned along the way. I had the opportunity to work with **React**, **TypeScript**, **Tailwind**, **Shadcn/ui**, **Redux** and **Jotai**.

JANUARY 2022–JUNE 2022

Concentrix, Bogotá - Collections Agent

- Assimilated a better understanding in listening to other peers actively, so the job could be precise and efficient.
- Learned how to communicate in a cordial and professional manner to deliver the best possible service.

Education

JUNE 2023–FEBRUARY 2024

HENRY - Full-stack Developer

- Full-stack development bootcamp. **React.js** · **Node.js** · **SQL** · **JS** · **TS** · **HTML** · **CSS**

JUNE 2023–DECEMBER 2023

Universidad de los Andes - Analista de Datos intermedio

- Data analysis and statistics intermediate course. **Statistics** · **Data Analysis** · **Python** · **Pandas** · **Seaborn**
